March's Walk Report by Gala Suarez

Bradwell, Derbyshire, Sunday 1st March 2026

After a 2,5 hours bus journey from Leicester to Derbyshire, including the usual "boot stop"; 6 of us followed our leader, Karl, as the first people to get off the bus.

Started our walk, all 12.5 miles of it, at White Edge Moor & very soon realized of the meaning of "moor", as I felt I was climbing up & down little squidgy hills (could be my little legs). But we all negotiated the moors & survived quite intact & reasonably dry to reach the National Trust Way.

It was a glorious sunny day, which took us quite by surprise, as the (never accurate) weather report mentioned nothing of the sort! And we got amazing views from the get-go. We crossed a gate & entered the lovely & ancient Long Shaw Lodge Woodlands. Then, soon after, it came the first of our many treats! A proper real toilet stop! (oh yeah, toilet tissue, running water, soap, dryer & all!).

After this little stop, we passed Upper Burbage, a lovely stream & Burbage Rocks. Then to the top of the hill to reach Higger Tor & down to Hathersage Booths, passing really close to the beautiful Hathersage Village. In the distance, we again spotted the Hope Cement Works plant, which we see far away in so many of our Peak District walks.

Whilst I was totally fascinated by Kulwinder & Rosie's chat...I never thought I could learn so much about the ins & outs of obtaining Indian Visas! Our second treat of the day appeared in the form of the Millstone Country Inn Pub & our lunch stop.

Slightly traumatised by our previous experience at the "least friendly pub in Derbyshire", a couple of months ago, this time we encountered probably the "friendliest pub in Derbyshire" at the edge of Hathersage. Really friendly staff who let us sit at the benches & eat our food without problems, & we ended up going in & buying some pints & coffees. And this clearly demonstrates how good customer service actually pays!

After the pub lunch stop, we went up the hill behind the pub, then by a lovely river stream & little stone bridge, until we found ourselves in Callow Woods (or as we like to call them "hilly & muddy woods"). The sky went grey & we thought the best of the day was gone when yet again the sun gloriously came back, making the hills & Hathersage in the distance look like a beautiful painting.

We went up another stile, & another hill, when Karl pointed at our biggest treat: Offerton Moor, a proper steep climb. We powered up this hill that kept on going, & going, & going...but as always, we were rewarded with the most amazing views of the Peak District, at the top of this great hill. We could see Lady Bower Reservoir in the distance. Then we walked along Brough Lane and finally got to Bradwell.

Passing Soft Waterlane & a lovely stream running under the bridge, as well as gorgeous little old cottages, we made our way to the bus to get our muddy boots changed, & then we adventured the last hill of the day up to the "White Hart" pub to catch up with the other groups & exchange battle stories!

Prospective Walkers

If you have not put your name down on the last coach trip, please contact ohwcmal@gmail.com to book a seat on the bus this month, prior to making a payment. You will receive a reply confirming the availability or otherwise of a seat. Please note that it is first come first served.

If you delay booking, you may not get a seat. Please do not turn up without booking and receiving confirmation that you have a place.

You must book a place on the coach in advance, or you may not be allowed to go on as it picks up at various places on the ring road members who have already booked a seat.

If you wish to be picked up from other places than Oadby Car Park, please mention where at time of booking and please be aware that very occasionally another Orbit coach may go past before ours arrives.

Walk Reminder

Please make sure that you carry your completed Club Safety Form in the top pocket of your rucksack - it could help you in a difficult situation. N.B. Don't forget to keep the form up to date. The form is available on the Club Website [here](#).

Walk Route Map

Please go onto the News section of the Club website [here](#) a few days before the monthly walk, to see a map showing the walk routes. Hopefully, this will speed up selecting your walk when signing up on the coach. The club has four OS maps available for Walk Leaders to use when leading walks.

Boot/Toilet Stop

Members are urged to keep the time taken at the boot stop to a minimum. At the end of the walk members should change their footwear and place dirty boots and rucksacks in the luggage locker before getting onto the coach, thus avoiding any congestion and mud in the coach.

Please do not wear dirty boots on the coach.

Those getting off the coach at Fosse Park and the Ring Road may alternatively put your dirty kit into a plastic bag and then take it onto the coach; thus, negating having to search for your gear in the bus luggage lockers.

Essential Wear

Members and guests must be suitably equipped. As a minimum this must include:

- Suitable waterproof walking boots that have adequate ankle support
- Waterproof coat and over-trousers
- Warm clothing
- An appropriate rucksack.
- Food and drink for the whole day

- A First Aid Kit is recommended

N.B. Jeans and trainers/sandals are NOT suitable. If you are not properly equipped for hillwalking, you may not be able to participate. Only Registered Assistance Dogs are allowed on club walks, except on mid-month walks at the discretion of the Walk Leader.
